Crazy for calendars: Gene Shalit's best for 2006

The 'Today' show's resident film critic shares his annual list of calendars that are great for gift giving. Check out his favorites

Updated: 11:14 p.m. ET Nov. 24, 2005

Each year, as part of our special holiday coverage, the "Today" show's Gene Shalit takes a look at the most unusual and distinctive calendars for the coming year, and shares his top choices for great gift giving. Here are the selections he discussed on "Today":

Gene Shalit's best of 2006 calendar list:

****EDIBLES '06****
